

## 2018-2019 LP GAS CONTRACT OPTIONS

Evergreen FS offers three contract options and four payment options for Propane customers

### PREPAY PROGRAMS

#### **100% Prepay Program**

- ✓ Lowest price per gallon of contracting options.
- ✓ **Requires 100%** of contract to be paid at the time the contract is signed and returned.
- ✓ Deliveries made will be applied to prepay gallons and be deducted from the prepay credit.
- ✓ 100% program is calculated using 85% of last 2 years' average usage.
- ✓ Gallons delivered in excess of contract will be invoiced at the current LP Gas price at time of delivery.

#### **\$0.40 Per Gallon Down Payment Prepay Program**

- ✓ Contract offers customer a fixed **price per gallon** with minimal upfront prepayment or deposit.
- ✓ **\$0.40 per gallon deposit** is required at the time the contract is signed and returned.
- ✓ **Deposit of \$0.40 per gallon** will be applied to each delivery. Remaining balance of each delivery must be paid by the 25<sup>th</sup> of the month following delivery. Amount due is reflected on delivery ticket and month end statement.
- ✓ \$0.40 Per gallon Down Payment program is calculated using 85% of last 2 years' average usage.
- ✓ Gallons delivered in excess of contract will be invoiced at the current LP Gas price at time of delivery.

### EVEN PAY PROGRAM

- ✓ Customer makes 11 equal monthly payments starting in June 2018 when contract is signed and returned to our office. (Your contract total will be divided by 12 to determine Even Pay payment based on average of usage for the past two years.)
- ✓ Contract is valid as long as monthly payments are made on time. **Failure to make payments authorizes Evergreen FS to convert your account to a potentially higher delivery price and terms. Late fees may be added to your account.**
- ✓ \$25 service fee will be assessed for any check returned unpaid by your financial institution.
- ✓ Even Pay gallons and monthly payment are based on the last 2 year's average usage.
- ✓ All balances on account will be due in full on or before May 25, 2019. Final payment (month 12) is for reconciliation and may vary based on actual account activity.

### ACH-EVEN PAY PROGRAM (Same terms as Even Pay Program above)

- ✓ **Include a check to cover the June payment when contract is returned.**
- ✓ Complete the ACH authorization form on the reverse side of your contract.
- ✓ Evergreen FS will automatically withdraw your Even Pay payment from your bank account on the 20<sup>th</sup> of each month **beginning in July 2018.**
- ✓ \$25 service fee will be assessed for any ACH returned unpaid by your financial institution. Service fee will be added to ACH transaction.

**Thank you for your propane business.**
